

Redbubble Shop - Sue E Armstrong

Navigating this site can be a bit tricky, but is far from impossible!

So here are some basic instructions...

1. Click on the link on the mixednutsmedia.org.au / Artworks page to take you to my Redbubble shop. OR

Copy this link and put it in your browser:

<https://www.redbubble.com/people/SueEArmstrong/shop?asc=u>

2. Click on “**Explore Designs**”

3. Click the image that you like — Note you have to scroll down to see all the products. There are over 80 products available in various sizes and colours.

4. Click on the image to choose a product. If you choose a T-Shirt for example, there may be colours available depending on the style of the T-shirt. The first option will often be a black or white T-shirt. By clicking the different colour circles on the right, you can see the image on a different coloured shirt. If you want a red T-shirt click the red circle and choose your size. This applies to both a colour image or a black & white image - you can choose the colour of the shirt for that image.

5. You can then **ADD TO CART** to buy the product. Go to your shopping cart (in the top right-hand corner of the page) and you should see the item you wish to purchase. You can then pay by credit or debit card or PayPal.

6. The tricky part is if you have to go back a step to see the previous pages to view something else. You have to use the **back arrow**. Sometimes it is on the website, other times you have to use the **back arrow of the browser** – top left corner.

Enjoy!
